6. Now you can Create Tasks in the To Do list and move Across the various sections like In Progress , In Review and Done section.

The screenshot displays the Jira Kanban board interface for the 'CSA1003- practicals' space. The board is organized into four columns representing different stages of task completion: TO DO, IN PROGRESS, IN REVIEW, and DONE. Each column contains task cards with titles, IDs, and assignees. The 'TO DO' column has two tasks, 'IN PROGRESS' has one, 'IN REVIEW' has two, and 'DONE' has one. A sidebar on the left provides navigation options like 'For you', 'Recent', 'Starred', 'Apps', 'Plans', 'Spaces', 'Filters', 'Dashboards', 'Teams', and 'Customize sidebar'. The top navigation bar includes a search bar, a '+ Create' button, a 'Premium trial' badge, and an 'Ask Rovo' button. The board itself has a search bar, a 'Type' dropdown, 'Quick filters', and a 'Group: Query' button. A '+ Create' button is located at the bottom of the 'TO DO' column.
